What Goes on in Palm Valley

By DON CAMERON

Doc Gurley's Palm Village Inn and cocktail lounge opened in a big way last Tuesday, but actually half interest in the place is owned by his brother Glenn. If there are any new folks in the Valley who don't know these boys, Doc is the Chevrolet dealer in Indio and Glenn is the Buick dealer. Cliff and Dorothy Robson are running the place and its success is assured because of the swell job Cliff did running the bar at the Chi-Chi and before that I remember how he packed them in for Bill and Thelma Davis at the Colonial House.

OUR GOOD FRIEND Burr

Tupper should have been thanked long before this for filling a long felt need out here with his Tupper Lumber company. Art Sell is his office manager and in the month they have been operating we have been dashing there for everything from cement to sash and doors and those very rare things called nails. Hal Taylor and his wife are building a new house next to the Palm Dell office and Hal had been smuggling nails in from Laguna Beach until he found out about Burr's new establishment just down the road.

The Palm Village pool has been packed all week with the Easter visitors. Rancho Mirage's Eleanor Truex is acting as lifeguard instead of her son Jimmy Searls who holds down the job in the summer. Eleanor's husband Herb and I tried to crash the gate and we had a hard time convincing Mrs. T. that we wouldn't "contaminate her old pool."

AT RANCHO MIRAGE the Lyle Harpers sold their adobe house to Mrs. Elisha Taylor of Los Angeles. Lyle is busting out

with grandfatherly pride since the Lyle juniors are down for a month with a new son, Lyle III. Between that and the terrific business his Mirage Plaza apartments are doing, you can hardly talk to the guy. Mrs. Arthur Hull has a night blooming cereus doing its stuff. You can see it by appointment. Mrs. Ethel Marr returned to Toronto, Ontario, after spending three months with Mr. and Mrs. Jim Smith. She is Mrs. Jim's sister and when she told me about Toronto, it gave me a touch of homesickness, as I was born across the lake from there in St. Catharines, that's the heart of the Niagara Peninsula where the grapes and peaches come from.

The Al Petersons had sons Robert and Richard home for the Easter holidays from Riverside junior college. Mrs. Millie Mitchell had her daughter Miss Kathleen Mitchell, a teacher from away up there in Vallecito, Calaveras county, also her granddaughter Miss Wilma Mitchell and Mrs. Mary Banning from Oakland, visiting.

THE MITCHELLS and the Petersons just took a trip over to Arizona where they did some fishing at Puente Penasco near Gila Bend, then spent a day in Nogales. Dave Cutler was down for the week with young David, so too, were Ron and Gladys Button with Ronny and Barbara. Claire Leahy spent a week in Los Angeles and is back raving about the terrible weather up there. Bill and Neva Munchoff were in Los Angeles for a few days while Bill ran down some of those hard to get plumbing fixtures.

THE PALM DELL ODELLS Amos and Nell, went up to West-

Parents, Children
To Enjoy Easter

Easter week at La Paz Guest Ranch is filled with a number of entertainments for the kiddies and their parents alike. Sunday morning there will be an Easter egg hunt.

This evening's Western dance will be the last weekly dance of the season. There may be another dance given later in the month, which will be announced at that time.

Among those joining in the Easter holiday fun about the ranch and enjoying horseback trips this week are Jack Dempsey with his two daughters, Joan and Barbara; Mr. and Mrs. L. K. Franklin and children, Los Angeles; Mr. and Mrs. W. O. Schell and Pat Schell, Los Angeles; Mr. and Mrs. Wayne N. Johnson with Diane, Los Angeles; Dr. and Mrs. Reuben Larson and Barbara Larson, Commander and Mrs. L. L. Vodila, Bremerton, Wash.

wood to confer with landscape architect J. A. Gooch. This conference I like, because as a result, the planting of the four acre park is about to start. Palms, olives, grapefruit and lemon trees should be in this month.

Everyone is talking about the parade and each one is very secretive about their float, but the top drawer secret out this way is Elly Mueller's. She won the cup for the walking entry six times and not even for a special prize on her Palm Dell lot, would she let us in on her story. "Wait and see," was all she would say as she and Mrs. George Zouganelis drove away in that 1947 Cadillac.

JUST ONE LAST WORD on the veterans activities during Circus Week. The American Legion rodeo is at 2:00 p.m. at the Field Club, Saturday the 12th, and Sunday the 13th. Their dance is at the Field Club roller rink, Saturday at 8:00 p.m. Commander Jerry Sanborn tells me that he has a swell band lined up, the Rhythm Riders.

The AMVETS and V.F.W. Air Circus is Sunday morning at 10, at the Palm Springs airport. You can get tickets for any of these events from Rudy Buchanan at the ticket office on Palm Canyon Dr. and Arenas Rd., the Air Circus office opposite the police station or the Palm Dell office. Cheerio Mates!

Lyons of Mr. Dee's
Continues to Roar

Dave Lyons, manager of Mr. Dees was trumpeting his horn again last Tuesday night.

This time he was telling the world about one Ray Rasch, pianist who opened there that evening, coming direct to Mr. Dees from the famous Chase Hotel Roof of St. Louis.

Patrons who were telegraphically invited by Lyons to listen to Rasch's debut Tuesday night had nothing but praise for the manner in which the pianist plays.

Lyons continued trumpeting and perhaps rightfully so under the circumstances.

Doing the Village

with
Moya Henderson

Back in the days of our grammar school autograph books there used to be a saying "May bad luck follow you all the rest of your days but never catch up with you." Well it certainly has caught up with Billie Mosely. Last week her car turned over on her and her horse accidentally kicked her and took a nip out of her and this week she's on crutches as a result of a riding accident near Tahquitz Falls on Friday. The horse Billie was riding went over an embankment knocking her under him as he fell.

ALTHOUGH it was thought that her leg was broken she managed to get up behind Mary Delano and go the rest of the way down the trail while David Delano and Bobby Sanborn rode ahead and called the ambulance to pick them up at Ramon Road. Her only concern now is that she won't be able to go square dancing this week.

Another convalescent is Dot Connell who was rushed to the Community hospital Thursday evening for an emergency appendectomy.

ONE OF THE HIGHLIGHTS of last week was Roma Marvin's fashion show at the Tennis Club. Buffet lunch was served on the lawn and under the trees around the pool. Among the guests were spotted Dr. Georgianna Raymond, Mrs. Horace Heidt, Mrs. Jerry Sanborn, Mrs. Carl Lykken, Mrs. Bill Grant, Virginia Paul and Tani Boyle. Roma picked a very glamorous group of gals to show off her creations.

IT CERTAINLY looked as if the Easter Bunny had arrived early at La Paz last Thursday when Mrs. Will Davis, Mrs. Howard J. Stewart and Mrs. Francis E. Russell were hostesses to twenty-four guests for luncheon and bridge. The tables carried out the seasonal motif were gaily decked with pastel flowers and Easter baskets.

Seems good to see Bob Bennett back in the fold after a two months visitation at the hospital. Bob is busy making plans for this year's pet show, one of the yearly events of Desert Circus week. Another familiar face that's been missing too long from the Village is that of Barbara Knowles. Barbara left almost a year ago to visit her aunt in New York, became entranced with Gotham and the family has had a difficult time luring her back—such heresy.

Mr. and Mrs. John Jenkins, noted for their hospitality, received over seventy-five guests for cocktails at the Tennis Club on Thursday.

QUITE A CROWD gathered at the airport Monday to see Juanita and Merrill Crockett off for Norfolk, Virginia to visit with their daughter, Merrilyn Clause. Mrs. Guy Pinney arrived from Los Angeles to take care of the Crockett's cat while they are in the East. Also in town for the holidays are Judge and Mrs. Wilbur Downs from Long Beach. On Tuesday afternoon, at La Paz, Mrs. Charles Henderson entertained at luncheon and bridge in honor of Mrs. Pinney and Mrs. Downs. Guests were old Village friends of the two honorees. The table decorations carried out a spring theme with each guest receiving a gardenia corsage.

THIS IS TRULY a season of parties and of brides. Two recent brides and a bride to be were feted on Saturday when Mrs. Theodore G. Robinson entertained at luncheon at the Desert Inn in their honor. Honorees were Mrs. Richard Hiese, formerly Helene Hanbury, Mrs. Robert Jones (Martha Robinson) and Marian Williams who will become the bride of Don Leonard in June. Guests included Helen Williams, Donna Mills, Sandra Shearer, Barbara Foster, Nan Duttenhoffer, Gloria Flavin, Elsa Kofeldt and Norma Webb.

THE VILLAGE is overflowing with lucky vacationers these days. Home from studies for awhile are Helen Louise Williams of Redlands, Bob Eckart from Occidental and Jerry Tracy from Nevada. Standfordites, Don Pendry, Bettie Willard and Art Jones toured back to the farm, their vacation all over with. Don and Johnny Downs managed a short reunion before Don took off.

STAKING OUT their claim as residents of Palm Springs are the Walter D. MacWalters of Portland, Oregon, who have been visitors here for the past twelve winters. The MacWalters have purchased the Donald H. Fry home on Via del Sur.

The original Constitution of the United States was adopted in 1787 and became effective in March, 1789.

The first public high school in the United States was established at Boston, Mass., in 1871.

DOWN FROM PORTLAND, Oregon for a few weeks are the Walter W. MacWalters and their three charming children. Mr. MacWalters' mother and father, the Walter D. MacWalters have been here all season. Back on the desert are Judge and Mrs. Wilbur Downs and son John of Long Beach and they are already engulfed in the social whirl. Many reunions are taking place now that Easter holidays are here. John arrived in town in time to see an old class mate, Don Pendry, before he headed back to his studies at Stanford. Art Jones is another Standfordite who's been around these parts lately.

ABOUT thirty members of the Los Compadres traveled to Indio Saturday night as the guests of the Los Chaceros. The scene of the party was Rudy Hiemack's new warehouse. The floor was cleared for dancing and refreshments were served from the club's gorgeous new chuck wagon.

Amongst the Palm Springers were Mary and Phil Delano, Stella Rouck, Virginia and Kenny Paul, Ann and Elmo Purnell, Pat and Bill Rogers, Jack and Dottie Gorham and Thelma and Wall Spalding. Martha and Harry Irwin drove all the way from Banning for the occasion.

Here's a new medium of spreading Soviet ideology in this country: From the concert stage! Paul Robeson mingles his arias with Communistic propaganda disguised as an attack against "native fascism." People who attended the recent Robeson concert at the Philharmonic auditorium in Los Angeles came away with the feeling that they had attended a Communistic rally. Soviet songs were appropriate background for the affair and, to cap the climax, Robeson dedicated the People's Battle Song to America's No. 1 Communist, Gerhard Eisler, whom the soloist described as "a man presently a victim of American fascism."

Robeson lived in Soviet Russia in 1936 and has a son studying there now. He is reported to have said that he was "tired of singing pretty songs while our President defends Greek fascism" and to have described Russia as the only country "where the white, the black and the yellow live together in peace and harmony."

The American people, I believe, can listen to such talk without much danger of many converts to the Communistic cause. But when such an affair is billed as a concert, the people have been duped. The true purpose should be revealed in advance just as much as the contents of a can must be printed on the outside. Numerous members of the audience didn't like it all and left the auditorium in the midst of one of his Soviet songs. As they did, Robeson is reported to have become sarcastic and ill mannered.

The only report of the affair that I have seen was in the Los Angeles Tidings, from which I have taken the quotations above. Hedda Hopper criticized a similar concert-lecture Robeson conducted in Burbank, in her well-read column in the Los Angeles Times. Tidings said that "a great part of the capacity (Los Angeles) audience that had bought tickets to hear Robeson sing felt defrauded when they found that Mozart was only incidental to Robeson's Soviet Apotheosis."

If Robeson's concerts continue to be labeled as such, the newspapers should inform the people what to expect. If they are interested in this man's ideas as well as his songs, no wrong is done. Never-the-less, it seems to me to be a strange combination and a blow to the American concert stage.

McCann Resigns From Council

Ill Health Cited
As Reason for
Quitting

In ill health for some time, Maurice P. McCann, councilman, Wednesday evening had his letter of resignation accepted by the city council at its regular session at the Palm Springs Airport.

Mayor Clarence Hyde expressed deep regret at the resignation of Councilman McCann.

The letter read as follows:

"Dear Mayor:
"I believe you are aware that I have been under the care of a doctor for several weeks and am now ordered to such complete rest that it will oblige me to give up any sort of activity. I am therefore obliged to tender my resignation as a member of the city council to be accepted at your pleasure and at your earliest convenience. Be assured, I deeply regret severing such a pleasant relationship as I regard each and every one of you as my personal friends. It has been an honor to serve with you.
"Sincerely,
"—Maurice P. McCann"

Ex-Convict Faces Burglary Charge

Mrs. G. Hunt, middle aged nurse, 416 S. Palencia Road, was just a bit more quick witted than the alleged burglar she found in her living room.

As a result Cleto M. Beltren, 24, Crossley Camp, father of two children, and according to police records, an ex-convict, is in the county jail facing a charge of burglary.

Mrs. Hunt coming home unexpectedly confronted Beltren in her living room, and while the man stood startled and shocked by her appearance, she reached for a telephone and excitedly called the police. Officer Charley Murray, the only officer available at the time, answered the call along with a visiting police officer from San Jose.

Beltren offered no resistance. Behind bars in the city jail he could not account for his presence in the home of Mrs. Hunt when questioned.

Mr. and Mrs. Al. E. Hoover, and daughter Dulcy Jayne, returned this week from a motor trip to Arizona where they visited at the Arizona State University at Tempe. A visit to the Northern Arizona State school near Flagstaff was also made. The trip was made primarily to study the school situation for Dulcy Jayne for the coming year as she will graduate from the Palm Springs high school in May.

Fifty Entries to Take Part in Giant Parade

Comprising floats, mounted groups, bands, and individual riding units from throughout Southern California, more than fifty entries had been received up to yesterday for the spectacular 11th Annual Desert Circus Parade which will move down Palm Canyon Drive at 10 a. m. next Saturday morning, April 12 as one of the climaxes of the Circus week.

Chairman Phil Delano predicted today that the entries will soar to near the 100 mark by closing time Saturday. One of the greatest turnouts of horse groups in the history of the 11 Circus parades is assured for the event.

THE MARCHING and riding groups will be sparked by the martial music of six bands of Southern California, among them being the two famous musical groups, the U. S. C. Trojans and the Tournament of Roses Bulldogs of Pasadena. Other fine bands are the Salvation Army Band of Los Angeles, Sherman Indian Institute band of Riverside, the Huntington Park Junior Band and the San Bernardino high school band.

Twenty-nine float entries had been received up to yesterday and many more are yet to come, the parade chieftain said. Many outstandingly beautiful entries are reported in this division, as well as the usual number of humorous and comical ones. Several of the mounted groups have signified their intention of participating in the parade but have not as yet filed their formal entry blanks.

ONE DISAPPOINTMENT has marred the plans for the parade this week. Leo Carrillo, colorful Spanish figure who had accepted the invitation to be grand marshal, notified Chairman Delano that he regrettably must cancel his plans as he has been called to New York to begin work on a new stage play. Arrangements were being made today to obtain a substitute for him in the important marshal's position.

Entries in the float division are as follows:

Harold Hicks, California Water and Telephone Co., El Paseo Beauty Salon, Plaza Stationery & Office Supply, Mary Helen Shop, Spalding's, Kenny's Mobilgas Service, Desert Hot Springs VFW Post 6474, Smoke Tree Ranch, Community Singers of Palm Springs, Palm Springs Woman's Club, Lanz of California, Inc. Ambassador Hotel, Desert Air Circus, Barbara Worth Brigades, American Legion, Owen Coffman Post No. 519, Mexican Colony, Highland Springs Guest Ranch, Tahquitz Vista Apts., Desmond's Men's & Women's Apparel, Southland Drinks (Sips 'N Snacks), Ralph A. Nesmith Co., The Doll House, Bullock's, Desert School District, Gibbs Tahquitz Pharmacy, Desert Museum, Rancho Mirage Corp., Desert 40 and 8 Club.

Equestrian Division:
Gladys K. Foster, Zalma Mitchell, Karl N. Grubbs, Elly M. Mueller, Ira Stone, Barbara Worth Brigades, Smoke Tree Ranch Stables, The Dollie Farms, B-Bar-H Ranch, LaCita Stables.

Pedestrian Division:

Sheriff's Posse Division:

Silver Mounted Saddle Div'n:

For the second year, Palm Springs' own station KCMJ will broadcast the Sunrise Services, staged Easter morning for nearly three decades by the Palm Springs Community church.

This year will mark the last time Dr. Macartney officiates. He is retiring from the pastorate. Again the minister has arranged for a flight of many doves to be released from Inspiration Point at the moment of sunrise—one of the most impressive phases of the outdoor service—to be descriptively told for the air audience by Roland Vaile of KCMJ, who will announce the broadcast.

KCMJ will carry the Easter observance beginning at 5:30 a. m., to its conclusion, simultaneously as many hundreds watch it from the golf course grounds below. Reed's Radio Shop has arranged to amplify their voices for the crowd by a public address system.

Mortals move onward towards good or evil as time glides on. If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified.—Mary Baker Eddy.

Cowboy Champ to Perform at Rodeo

Gene Rambo, all-around cowboy champion of the United States last year, who will compete in the two-day American Legion-Desert Circus Rodeo here Saturday and Sunday, April 12 and 13, is considered among the rodeo circles as one of the outstanding cowboys of all time, according to Frank Bogert, chairman of the two-day event.

Rambo won the U. S. title last year by a wide margin of points after having piled up his counters with unrivalled demonstrations of riding in shows throughout the country.

NOT CONTENT as are other riders with entering one or two events at a rodeo, Rambo almost always is found competing in four of the major divisions of a rodeo: bull riding, calf roping, bareback, and saddle bronc riding. Fans who turn out for the championship event here next Saturday and Sunday will see him in action in all four of these events.

Rambo already is on his way toward another championship this year and rodeo experts believe he has a good chance to repeat his victory.

AMONG other champion cowboys who have entered the competition here, is Andy Jauregui, who was second to Rambo last year, winning all his points on roping alone. Jauregui is furnishing the stock and is arena director for the spectacular two-day show here which climaxes the 11th Annual Desert Circus at the Field Club.

Camp Confesses, Ott Held as Fence

Charles N. Ott, 279 S. Indian Ave., was in the city jail today charged with the purchase of stolen property.

Ott is alleged to have purchased \$2,000 in gems from William Camp, two time loser, for \$26, and then later to have sold a lady's watch, part of the purchase, for \$125.

Camp transferred to the Riverside county jail and, who has steadfastly denied accusations that it was he who burglarized Mrs. Louis Pfau's ranch house here of \$7,000 in jewels, yesterday, is reported to have admitted the charge.

Wire Recording Device Shown Rotarians, New Directors Named

One of the newest discoveries of science—the wire recorder—was demonstrated Wednesday to the Palm Springs Rotary Club by Ernest Alschuler, head of the Sentinel Radio company of Evanston, Ill., and owner of a winter home here.

The recorder, No. 1 off the assembly line of the Webster Chicago corporation which is manufacturing the amazing device, is expected to have thousands of uses in the radio and business world with new ideas on its operation arising daily, according to Mr. Alschuler who is experimenting with the possibility of incorporating the equipment in radio sets. With such facilities present, an owner of a radio set could record any program for future reproduction or have the recorder preserve radio features while the family is away from home.

NO LARGER than a medium-sized adding machine, the apparatus records voice, music or other sounds on a tiny, silk-like wire that runs between two spools. This recording is a permanent one, expected to be of full value for more than a lifetime. But the recording can be automatically removed by the machine or by superimposing another recording on the wire. The average roll of the wire will inscribe a half-hour of voice or song.

When the recording is finished through the medium of a microphone which plugs into the machine, the wire is reversed on the spools and the apparatus then "plays back" the words or music through a conventional-type amplifier system built into the cabinet. The volume can be varied just as on a radio set.

TO DEMONSTRATE the device, Mr. Alschuler had several men at the Rotary luncheon make recordings and then played them back. The recorder displayed remarkable fidelity of reproduction. Bill Ortwin, manager of the Western Air Lines here, assisted in presentation of the program. Answering questions following the demonstration, Mr. Alschuler revealed that the initial recorders are expected to cost something more than \$125, and that business machine concerns see a great use of the wire to replace the conventional type of recording devices used in dictating devices.

RESULTS of the annual election of directors of the club were announced. The nine elected to the directorate are W. E. Alworth, A. E. Bailey, Frank W. Cutler, Robert Hargis, Harry C. Harper, Barney Hinkle, C. G. Lykken, William Ortwin and R. W. Peterson.

The regular meeting of the club next Wednesday, April 9, will be cancelled to allow the club members to attend the Desert Inn luncheon and Western Fashion show at the Desert Inn. A round table session will be held at the Desert Inn for visiting Rotarians.

Federal Controls On Housing Not Relaxed, is Word

Federal controls on housing and building materials are not being relaxed, and the government's enforcement activities in behalf of present regulations will continue.

James H. Atkinson, local representative of Housing Expediter Frank R. Creedon, issued that warning today.

Atkinson's statement coincided with circulation of reports to the contrary in commercial and industrial building circles, generated since President Truman's announcement last weekend that the Office of the Housing Expediter will assume on April 1 the responsibility for housing controls now administered by the Civilian Production Administration. The Office of the Housing Expediter serving this District is located at 425-C Court Street, San Bernardino.

"RUMORS circulating among building groups that controls are 'out the window' are completely erroneous," Atkinson said.

"Compliance actions are still very much alive. The continuance of existing controls, in the Housing Expediter's own words, is essential to the success of the housing program. The Expediter has authority to continue these controls, and there is no intention of relaxing them, despite reports to the contrary."

Atkinson said restriction of the use of building materials for commercial and industrial purposes will continue until an adequate supply for veterans' housing is available, in line with the mandate of Congress in the Patman Act, which is the legislative basis of the veterans housing program.

Cathedral City News Roundup

Reported by MARY R. WOLSETH

Cactus Jumpers Jamboree One of Best in History

The biggest and most successful event ever given in Cathedral City, the Cactus Jumper's Jamboree surpassed itself last Saturday and made a new high in feeding the multitudes. Over seven hundred people enjoyed the delicious barbecue dinner which was served from one p. m. to eight p. m.

Sixteen cakes were awarded in a series of Cake-Walk games with 20 people struggling to get in the ring for each cake.

Raymond Hatton was the director of the auction stand and his vibrant voice could be heard for half a mile in every direction. Carroll Waller's trained voice also could be heard throughout the day announcing the joys to be had at the Town Hall.

EVERY FIREMAN and every Chamber of Commerce director—and every wife of each, did their full share in bearing the burden and enjoying the fun. The boys washed the dishes for the first time in the history of the Jamboree and the extra sink came in handy.

And the new addition with the cement floor must have paid for itself in one night with the added business it brought in.

The cooler which blew the heat out of the kitchen and kept the air circulating in the hall was one of the greatest single new blessings which has been provided this year. Ella Dorn, membership chairman, made a huge red, white and blue layer cake and gave slices free to every new member of the Chamber of Commerce. She took in \$65 in new memberships.

THE COMPLETE amount gross and net cannot yet be announced, but that it is in the neighborhood of \$1800 clear is certain. The ladies say that the kitchen is so convenient to work in now that they will be glad to put on dinners for the town and raise money for the new fire hall next year.

Mrs. Julia Waring and son John, who spend winters in Cathedral and their summers at Cannon Beach and Seattle, Washington, will leave for the north the first of the week. They were guests at the Mhoon Court this year.

Church Purchases Land for Building

The Community church board has purchased a half-acre of land on Cathedral Canyon Drive between D and E streets from Mrs. Tucker of Palm Springs and Long Beach and is making plans for a church home by next year.

This lot, located on the only 80-foot street in the township and between the two subdivisions is in a strategic central spot.

It had been hoped that this community would be awarded the Torney Chapel and were making every effort to get it when the moving contractors gave them the price of \$15,000 to move the building here. This was considered more than could be afforded at this time. The chapel at the air field is now under consideration as it will cost around \$1000 to move and leave more money for beautification.

Mrs. Marie Ide Honored by Gift

In grateful appreciation for her years of faithful service both as unpaid librarian and treasurer of the Chamber of Commerce, Mrs. Marie Ide was presented with a beautiful wrist watch by the Chamber of Commerce and Women's Club at a meeting of the directors and their wives at 7:00 o'clock Tuesday evening.

Before the regular chamber of commerce meeting, dessert and coffee were served to the officers and their spouses and all were open in their praise of Marie's generous and willing gift of her time and energies to the library.

One of the busiest women in all the town and with a growing family, girl scouts work to do, farm chores, a working husband and herself doing part time work at the Hillery Real Estate office, Marie has yet given many hours a week to community service.

Bulldozers are leveling ground below the highway on the Palm Springs side of the Cathedral Arch and Walter Melrose says he is starting the first step in developing his subdivision now that flood control has commenced. He says he has definite plans for a home on the hill and a club in the cove below within the near future.

The Frank Russells and Bob Camps entertained Dr. F. F. Williams and family from the Patton State Hospital last week. Dr. Williams is the psychiatrist there.

New Officers for Cathedral City Club Installed

The Totem Pole Cafe was the scene Wednesday noon of the ninth Installation Luncheon of the Cathedral City Woman's club. Mrs. Agnes Wilcox and Mrs. Ethel Mhoon as hostesses, presented the officers with corsage bouquets. The tables were beautifully decorated. Mrs. Ardith Cason gave piano solos, as the ladies assembled. The retiring president, Mrs. Lucy Abels, was presented with a black dress purse as a tribute to her successful office of two years during which time the club had more than doubled its membership and held the most satisfactory meetings in its history. The Board of Directors had asked Mrs. Abels to install the new officers, but Mrs. Abels said that she was passing this duty on to her vice-president, Mrs. Mary Wolseth as she felt most of her success had been getting others to work for her and she didn't want to break this rule the last meeting.

Mrs. Bessie Kelley, the new president, will take office at the annual business meeting in the Town Hall, April 16, when the retiring board of directors will give the tea and officers and committee chairmen read their reports of the year's activities.

Sez I

(By Mary Wolseth)

"Don't forget to mention the behind-the-scenes work done by the kitchen help," sez Marie Greener, chairman of the Kitchen Food Service for the Jamboree and Jane Delfaro, her assistant. Janie buzzed around between the spreading of bread and the chopping of coleslaw (spelling) and insisted that she loved that kitchen work. Alpha May Harrison used over 10 pounds of coffee to feed the crowd and I used up the scraps of barbecued meat to make sandwiches which were enjoyed with the beans when the roast gave out. The help was fed free and that was no small item, but the spirit was grand. A special accolade is given to Messrs Headley and Chance for their dish-washing activities and later to the bus boys Cason, Colglazier, and Palmer. The hot water lasted almost to the end of the washing up, and that's a record too, sez I.

Girl Scout Troop No. 6 was entertained with a wimpy party at the Palm Village pool last Sunday afternoon by Mr. and Mrs. Ben Scott. It was Barbara Dawson's birthday and she served refreshments to the girls in the new scout house following the swim. Twelve girls attended the parties.

Cathedral City will be represented in the Palm Springs Circus Parade with a float made by the Girl Scouts. Banners are in the process of construction and when asked the date of the scout house formal opening, Mrs. Mary Dawson and Mrs. Verill Phillips, the two scout leaders, replied that they would take that up after the Circus was over.

Harriet Colglazier and Dorothy Maddox will assist Ruth Metz by taking over the leadership of the local Brownies for the summer. They look a little apprehensive these days, having no girls of their own.

Mr. and Mrs. John Kuehlborn have returned to their Desert Cottage at Glenn and C streets and will be here until June. Friends are glad to have them back again.

Mrs. Edna Cobb completed the final clean-up of the Town Hall Sunday morning and then retired to bed to nurse a very bad cold. As chairman of arrangements for the Jamboree, she earned a rest.

It was Mrs. Angus MacPherson who reported her husband had presented her with a mink coat—90 per cent cloth.

Shriners Urged To Attend a Meeting Thursday

Shriners residing in Palm Springs are requested to attend a meeting to be held at Del Tahquitz Hotel, Thursday morning, April 10, at 11 o'clock at which time high officials of Al Malaikah Temple of Los Angeles will be present.

The meeting is for the purpose of hearing committee reports and completing arrangements for the ceremonial to be held here on April 26.

AL MALAIKAH TEMPLE is now the largest temple in the nation. While the Shrine is generally regarded as being the playground of Masonry, it also has its serious side—support of Crippled Children's Hospitals throughout the country. Shrine Crippled Children's Hospitals make no distinction as to race, creed or nationality. At present the only one in California is in San Francisco but Al Malaikah has already provided a splendid site in Los Angeles for a hospital to build there. A campaign to raise \$1,500,000 to build and equip this hospital will soon be announced. Coordination of plans in this connection will also be discussed at

Art Exhibit Is Planned April 5, 6

Eleven local artists will show examples of their work in an exhibit to be given Saturday and Sunday, April 5 and 6 from 2 to 6 p. m. at the studio home of Miss Agnes Pelton on C street and Chuperosa Lane.

Local club ladies will serve as hostesses for the tea and the exhibition is open to the general public. This will be the third affair of its kind and is under the direction of the artists themselves.

Miss Pelton's patio garden and large studio lend themselves to this event with much charm.

Mrs. Elizabeth Burns and son Jimmie are visiting Mrs. Ruth Metz at the Desert Cove Ranch. Mrs. Burns is Ruth's sister-in-law from Memphis, Tenn.

Ray Potter caught the biggest trout this week—3 pounds plus, when he, his wife, Bud and Carolyn Kelly, Elmer and Walter and Harriet Colglazier went fishing to the Colorado river. Mike Gordon and Ed Miller went along, too.

the April 10th meeting at Del Tahquitz Hotel.

In the meantime information may be secured from Lloyd Simon, Bill Leoncio or Chet Hooper.

Desert Museum Notes

FILMS FOR TONIGHT

Two documentary war films will be shown at 8 p. m. in the Fiesta House of the Desert Inn tonight, Friday, April 4, open to the public without charge. These films are "Target for Tonight," the famous award-winning picture of a typical raid on Germany in B-17's and B-24's, and "Silent War," the story of the battle against disease.

SNOW CREEK FALLS

The goal for the Museum field trip this Saturday, April 5, will be again lovely Snow Creek Falls Canyon, one of the highest and most spectacular series of falls to be found in Southern California and certainly the least known. The group will leave the museum at 9 a. m. and return by 5 p. m. Bring your lunch and camera. About six miles of quite strenuous hiking, mostly up a steep trail, is involved, so wear comfortable walking shoes.

GUEST LECTURE

The guest speaker Saturday night, April 5, is scheduled to be Mr. Lloyd Mason Smith, Museum director, who will give an illustrated talk on "The Monument Valley Area," an account of adventures this past summer, and will include color slides of Oak Creek Canyon, Rainbow Bridge, and Canyon de Chelly, as well as famed Monument Valley.

NEW FILMS PURCHASED

Two new 400-foot Kodachrome reels were purchased last week from their maker, Tad Nichols of Tucson. One is "The Story of a Navajo Blanket," and the other, "Navajo Silversmithing." These, together with the reel on the "Navajo Sand-Painting," by Jack Breed, already in the possession of the Museum, make a pretty complete picture of these desert nomadic Indians. As soon as it is available, Mr. Nichols is also selling the Museum film library a copy of his famous Paricutin Volcano film, so widely acclaimed here last month.

TUESDAY'S MOVIES

Next Tuesday night, April 8, the movies to be shown in the Fiesta House include "Pygmies of Africa," "City of Wax" (the story of the honey bee), "Teahouse" (in color), and "The Flying Dutchman Overture" (A short musical).

MINERAL ADDED

Two new specimens, both collected by Mr. H. Earl Hoover of Smoke Tree Ranch, were added to the geological exhibit case last week. One is of Hematite, the iron ore, taken from Eagle mountains, where Kaiser is now obtaining his ore for his smelter at Fontana. The other, from the same region, is of Magnetite, or Lodestone, which presents a strong attraction for small bits of iron, like iron filings. Other specimens earlier presented to the museum by Mr. Hoover include samples of Travertine from the Salton Sea, and Staghorn Lichen on a pine branch from near Idyllwild.

HUMMINGBIRD MOTHS

The near-epidemic of hummingbird or sphinx moths seems to be abating somewhat. The great numbers suddenly appearing almost out of nowhere, was quite unusual, and will probably pre-empt even greater numbers of their destructive larvae. These larvae can easily be recognized by the horn on their tails, as in the common tomato worm.

FRIDAY'S program—This Friday, April 4, two movies will be shown in the Fiesta House at 8

p. m. They are "Target for Tonight," the famous English documentary war picture, and "Silent War," the story of the battle against disease.

NEW LIVE ANIMALS. Among the newer acquisitions to the current display of live desert animals, recently was added a beautifully marked Desert King snake, found on the road to Indio by Barbara Sarup. It had apparently been injured slightly, but seems to be doing nicely in the glassed cage with its two blood-relatives, the two King snakes donated by Mr. and Mrs. Melvin C. Capper early this season. King snakes are harmless and feed upon lizards, other snakes, and small rodents. If they are hungry and chance upon a rattler, they'll attack and kill it by constriction.

A fully grown Sidewinder or Horned Rattlesnake, with five rattles and a button, was also brought in last week by Jack Doobrovo of the Rancho Stables. Although not common and only infrequently seen, it is well to bear in mind that Sidewinders are astir now from their winter hibernation. This makes two live specimens of this poisonous snake, the first, a young one, being captured by Mr. Finch while on a picnic near Willis Palms.

Milton Knapp of Partridge's camera shop spends his hours off work in tracking down desert creatures, and last week he added to the museum collection a live Western Faded snake, also called Sonora snake, and a live Kangaroo rat, which he dug out of its burrow in the sand. For the second time, while thus excavating with his hands in a dune, young Knapp grabbed hold of a sidewinder and dragged it out, mistaking it for a root. Fortunately, the snake was as startled as Knapp and did not have time to strike.

SECOND JOSHUA TRIP. For the second time this season, the Desert Museum conducted an auto caravan through nearby Joshua Tree National Monument. The new custodian of this area, Frank Givens, who replaced Jim Cole, transferred to the east, met the group at Hidden Valley and led them on to Keye's View and thru the Pinto Basin to Cottonwood Springs.

Kangaroo . . .

before the august justices of the Kangaroo Court will be as slick a bevy of feminine deputies as ever got their man!

THE FEMININE minions of the law will have their six-guns ready just in case there is any resistance although any fear that a captured Kangaroo Court "criminal" would have any compunctions against accompanying one of the attractive deputies to the bar of justice is purely mythical, in the opinion of Wall Spauling, chairman of the Kangaroo Courts for the circus production.

Something new and something very intriguing will be added to the attire of the sheriff and his beauteous assistants this year. This will be a specially-made Desert Circus sheriff's and deputy's star for each member of the subpoena-serving squadron. To each will go the star as a souvenir of the 11th Annual Circus after their duties are done. It is hoped by the Circus chairman that this can be a custom each year. The badges, made by the same company that produces the dozens of trophies awarded for victories in the colorful parade, are large, nickel-plated and properly inscribed.

INITIAL DUTIES for Sheriff Rogers and his irresistible deputies are slated for the opening luncheon and Western Fashion Show at the Desert Inn next Wednesday, April 9. Here will be held the first Kangaroo Court session of the Circus. Identity of the judges for this year's courts has not yet been announced by Kangaroo Court Chairman Spauling but some noted figures are being sought for judicial duties. Leo Fields, traditional judge for the court, has been ill for several weeks and it has not been certain whether he could serve this year. His barbed wit in verbal exchanges with the prisoners and his humorous decisions in fixing sentence upon the victims have made him an institution in the Kangaroo Courts of past Circuses.

THE SECOND of the Kangaroo Courts is planned downtown at noon on Thursday, April 10. This will be open to the public and is expected to draw a real throng of visitors.

Sheriff's honors for Trav Rogers are in recognition of many years of service to the community in countless ways. Chairman Hinkle said in announcing his selection. In each Circus production for many years the valuable assistance of the veteran horseman and rodeo expert has been indispensable to the smooth operation of the events, particularly the parade and the Field Club activities, he said.

House of the Desert Inn, the new location for museum programs now, the English documentary film, "Coastal Command," was unreel last Friday night. Second film was a color reel taken on the past Museum-conducted field trips, including Snow Creek Falls, Joshua Tree National Monument, Dripping Springs, Hidden Springs, and Grotto Canyon.

TIME CHANGE. The museum radio program, "From Palms to Pines," is now being broadcast at a new hour during the mid-week: at 7:15 on Wednesday nights now, instead of Thursday. The Sunday hour, at 5:30, remains the same.

to bring their own chairs, or camp stools.

Invocation will be delivered by Reverend James H. Blackstone. Scripture reading will be done by Reverend Charles F. C. Farmer and the Easter message will be given by Reverend John R. Macarney. Bill Hay of radio fame, will present a reading.

BARING INCLEMENT weather the attendance this year is expected to surpass in size the huge crowds that have attended Easter Morning Sunrise services in the past. It is believed that the Easter observance at Mt. Rubidoux in Riverside, is not much older than the hillside observance here, which started thirty years ago.

All those who will have a part in the program have spent long hours in practice and rehearsals. The chorus of mixed voices comprises it is said, four of the community church's choirs. Final rehearsals of the choir took place Thursday night and all of the singers will assemble before the Easter morning services to try out their voices again before the program begins.

SOLOS WILL be rendered by Alexander Hammond, Wynne Davis Hammond, Reverend James Blackstone Jr., and Violet Phelps Fowler.

Radio connections and the public address system will be installed by the Ted Reed Radio Shop.

Mrs. Guthrie Hostess To Altar Society

By HELEN HANNON

In the spacious Haleakala home of Mrs. Alice Guthrie the Catholic Altar Society met Wednesday afternoon for a business meeting and tea. They gathered in the palm and flower laden sunroom overlooking the garden where discussion was held concerning the success of the recent card party at the Desert Inn.

FATHER O'CONNOR opened the session with a prayer and later congratulated the ladies on their work concerning the card party. He paid special tribute to Mrs. Nellie Coffman for her generous donation of the space at the hotel where the card party was held March 18th, and for the lovely colation she had served.

Mrs. T. Holland presided in the absence of the president, Mrs. Nora Simpson who sent a written message of thanks to all who had made the party a success. Special mention was made of the business concerns of the city who so generously donated prizes. Plans for a dinner party to be given in the latter part of April were made to which husbands and special guests will be invited.

DURING THE AFTERNOON sewing was done on the new altar linen, tours of the garden and visits to the lovely Shrine to Our Lady were made. At the close of the meeting tea and dainty sandwiches were served by the hostess.

The next meeting will be held the first Tuesday in May and will be announced later.

Meiklejohns Easter Guests at Hermosa

Others vacationing at Villa Hermosa this week are Mr. and Mrs. Mitchell Hamberg and son, Beverly Hills; Mrs. F. Hugh Herbert and daughters, Bel Air; Mr. and Mrs. Harold Rose and Miss Kate Schamberg, who is spending her Easter holiday from Scripps college with her parents.

Business Women Hear Chief Lightning

The Easter motif prevailed at the breakfast meeting of the Palm Springs Business Women's Club. The table was gaily decorated with colorful place cards, and tinted Easter eggs. Calla-lilies formed the centerpiece for the table. Imogene Hume and Pegi Scott along with Mrs. Humes' small daughter Sharon were responsible for the decorations.

A LETTER was read by Mrs. Capra from Mrs. Mennard, former secretary for the club, in answer to a request for names and needs of the people of England. Packages of food and clothing will be sent by members of the club immediately.

The guest of the morning, Chief Lightning, was presented by the program chairman, Edna Petrillo. Chief Lightning, garbed in his native costume complete with feather bonnet, gave a very interesting talk on Indian affairs. This was his first public appearance in five years, having served in the Merchant Marines during this period. He is a member of the Winnebago Indians of Wisconsin. The Chief is a most celebrated Indian archer, and gave interesting account of how, when a small boy, he shot a silver coin out of the air attracting the attention of a visitor with whom he traveled to Chicago. This led to many public appearances, and later to engagements as an instructor in archery.

Chief Lightning is starting a tour of California cities, and on his return will build an archery range in Palm Springs, he said. The guest speaker was followed by Mrs. Alchian, who gave a brief resume of the club's plans for Circus week.

CHILDREN'S SKATING PARTY

RECENTLY the Blue Nightingales and the Junior Choristers, youthful singers of the Community church had their monthly party at the skating rink. Mrs. Cumner arranged to open the rink on Saturday afternoon especially for these young people. The fun started at 2:30 with many different sessions being used. The children skated in couples, trios, quartettes and several tag sessions.

Mrs. Charles McDonald and Mrs. Leona Markham acted as hostesses together with Mrs. Holly Visel, and served soft drinks and sup cakes just before all departed with exclamations of "Must we go home now?"

CHURCH CHOIR PARTY

FOLLOWING the March 27th rehearsal, the members of the Community church were entertained at the home of Helen Winter, 1119 San Jacinto Way. After each of the 35 guests participated in the game of charades, refreshments were served. Hosts and hostesses for the delightful evening were Helen Winter, Jo Ann Hillgren, Marion Williams, Ruth Ann Fleming, Neill Rush, Roland Vaile and Ken Woodbury.

Girls' League is Told Interesting Foreign Stories

The girls' league meeting held Monday, March 31 was called in order to elect officers to finish out the term of resigning officials. Two interesting talks were given by students who have lived in other countries. At the conclusion of the meeting, Mrs. Moya Henderson, advisor, expressed the appreciation of the group for the work accomplished by Sally Robinson, Dulcy Hoover, Mary Louise Klug, and Audrey Bentsen. President, vice president, secretary and treasurer respectively, who have become ineligible because of grades.

Birgit Zwiller, a freshman, told about her native country Denmark. Birgit came to America with her mother in 1942 after living there during two years of Nazi domination. An interesting fact that she brought to light is that Denmark is the only country, other than the U.S.A. that celebrates the Fourth of July. Birgit said "I will try to attend the celebration every year after I return to Denmark this summer."

DIANE BEVERIDGE, a sophomore, has spent most of her life in the northernmost outpost in Canada. It was there that her mother met her father. Mr. Beveridge is a geologist and spotted a camp while flying about. Mrs. Beveridge and a friend were camping out for the fun of it. He landed and had dinner with the girls.

Diane said that she had gone to school in Canada for only a short time, but long enough to tell that it is much harder than schools here.

Officers elected to finish the year were: Bonnie Taylor, president; Marilyn Ellsworth, vice president; Shirley Renville, secretary; and Candy Hughes, treasurer.

New Officers for G. A. A. Elected at Business Session

A G. A. A. business meeting was called Wednesday, March 26 by Moya Henderson, advisor, to elect officers for the remainder of the school year.

Mrs. Henderson said that she was sorry that after Vivian Gaudiello had worked so hard on the G. A. F. convention that she and Cherie Mashburn, and Audrey Bentsen were forced to resign because of grade ineligibilities.

Betty Ann Lilley was elected to the presidency from her position as corresponding secretary because of her work on the convention. She will fill both posts for the rest of the year. Marilyn Ellsworth is the new vice president, and Nancy Nye is treasurer. Barbara Jones, recording secretary, and Coni Tilghman, historian, remain on the executive board.

Rotary Club Is Treated by Trio

Wednesday March 26, the Rotary club was entertained during a luncheon at the Desert Inn by a trio consisting of Mrs. Lee Kestenbaum, pianist, Myra Kestenbaum, violinist, and Gustave Patzner, cellist. There were three selections; Hungarian dance, Humoresque, and a selection from Samson and Delia. Myra Kestenbaum is a student at Palm Springs high school and has entertained some of her classes without accompaniment. Mr. Patzner as music teacher at P.S.H.S. organized the trio.

Student Body Goes All Out To Show Appreciation for Assembly Music

High school students contributed a sum of \$55.00 to show their appreciation for the blind musicians who entertained them at an early assembly last Thursday. Dr. E. E. Oertel, high school principal, was well pleased with the warm-hearted attitude toward the vocalists-guitar players, when the students spontaneously offered their gift of thanks by taking a collection of money.

The master of ceremonies, H. C. Cooper, who was in charge of the program, presented Severiano Vasquez, Raul Torres, and David Rangel as members of the National Transcribers Society for the Blind.

RESPLENDENT in their gay, native fiesta costumes, their first musical selection was the ever popular "El Rancho Grande," followed by "Lo Lola," a love serenade, the Torredor and the Bull, and a specialty by Raul Torres, who sang "To Each His Own." This was unusual because he sang it in English, an accomplishment for him as he has been in the United States for just a short while.

Mr. Cooper high-lighted the performance by relating humorous anecdotes explaining how the troupe first got accustomed to his English and he to their Spanish.

SEVERIANO VASQUEZ, assisted by Mr. Cooper, and with special lighting effects, demonstrated the braille alphabet. On display were some of the works accomplished by other blind students who translate into braille various printed novels, essays, and writings. It was explained that each book is done by hand, thus offering an opportunity for an occupation and a paying position to fill the otherwise empty hours of the blind.

Each book is passed on free of charge to braille students all over the world. Often times nine braille books are necessary to make a

Gazoozit

By LO LO VALLIER

Peace and rest are supposed to bring inspiration so in the quest of same, I retired to a dark room. But I made a new and earth-shaking discovery shocking in its essence. It is rather difficult to write in the pitch dark. Hence, with a loud snap, I turned on the light. At rest again with my diminutive little feet propped up on the nearest chandelier I can go on without the inspiration but with plenty of new news and free dirt to keep you gnawing your nails in utter glee.

A school night, for once, is brought to our attention. Tuesday the bookkeeping class had a weiner bake out on the desert mainly because desert is what we have most of around here.

Mrs. Kiley and Mr. Remy were there to see that everything went fine. Candi was with Whitehead, Charlene with Bobby Jones, Betty Ann with Mickey, Sally with Don, Jerry Hulme with Shirley Renville, Lopez with Arlene, Smitty with Norma Jean. And this was the night when Don and Sally broke a link in the rusty chain and parted company.

IT MUST HAVE been the next day when Fern gave his name a permanent place in high school history. Rumors flew and the great questions seemed to be the chief topics of conversation, many heartbreaks and much spilling of tears. No one is sure yet just what the deal is. They don't know if he is going to marry this new girl around town, Beverly, or an old gal friend from Oregon. May be he's not going to get married at all but all I know is that he checked out of school and went off to Oregon. Sob! Sob! No kidding though, I think we all will miss good old Fungus.

Friday night there was a big party up at Snob Hill. Things were fairly calm up in them thar hills but there were loads of people around and plenty of prospects for some fine scenic (?) pictures. And Milton snapped some really rare little gems in the line of photography. Very interesting!! Virginia was with Chuck, Jeannette with Johnny, Jo with Red, Mary Katherine with Earl, Milton with Peggy, Slocum with Nick, Joy with Benson, Dawn with Jackson, Audrey with Bob Galones, and still others. Les Wogburg was in town and went up with Barbara Beeton. And mercy me, the wearing apparel up there was really conflicting. Quite a contrast to the usual blue genes were the formal dresses worn by Mable and Mary Katherine.

MAYBE YOU'RE wondering why the formals at Snob Hill. It's a long story. Before hand you see, the C. E. gave a formal spring banquet held at the church. Those there were Sally Robinson, Elanne and Norman, Nancy and Jim, Sandy, Dixie and Cootie, Dattie and Earl, Barbara and Don, Mable and DuBose, Marlene Knowler, and Kenny and others. After Snob Hill, some of the same went on to Elanne's house for a party there. What a program for one night!! Still and all most of the kiddies managed to scoot on home before Cinderella lost her slipper.

Visitors at your local cinema and mine Friday were Searles and Barba Croft, Mary Lou Trop and Holderman, Coni and K. K.

complete volume of one of our ordinary-sized novels. The series of dots which constitute the braille language requires a good deal of space. Mr. Cooper further explained that each book costs ten dollars to make, and that nine dollars is paid to each student for his work in composing these books.

IN BRINGING the assembly to a close, the famous piece "Gaud-alajara," was played and sung. With hearty applause ringing through the auditorium, Mr. Alexander Hammond, the H. S. Spanish teacher, stepped up to the stage and thanked the troubadours in their native tongue.

After everyone was dismissed to their first period classes, two girls, Merci Rios and Hortensia Ortega stopped to speak to the gentlemen in Spanish.

The first period chorus class was fortunate enough to be able to stay in the auditorium where the director Mr. Hammond encouraged the entertainers to sing "Ceilito Lindo" for his pupils. Said Mr. Hammond: "This has been one of the best assemblies this year."

Committee Named for Open House at Local High School

With the date of the annual Palm Springs high school open-house looming, the school principal, Dr. E. E. Oertel appointed a committee headed by Henry Greeley, vice principal and filled out by Ralph Remy, C. Collins, Alexander Hammond, and Irving Sussman.

Although nothing definite has been asked for, the committee plans to have a vocal and instrumental music program, a science program, and dramatics production. These three will, most likely, be accompanied by a host of other entertainments which will complete a very interesting evening.

EASTER CHURCH

Services

The months have been many since the end of conflict, and we have slowly assumed the calm of peace while building up the stability which will enable us to make that peace endure. As we join the joyous Church throngs this Easter, surrounded by loving family, friends and friendly neighbors we can make one simple resolution in behalf of that peace. We can resolve to live the spirit of Easter throughout the year . . . and not to shed our "Sunday manners" of tolerance and sincerity when we hang away our "Sunday clothes." And as the meaning of Easter now fills our hearts, let it also guide our deeds day in . . . day out.
